22/03/2016

SEITE 04

Tasks performed during project runtime since last SAB meeting (2017/2018)
Incl. cloud activities (if applicable)

de.NBI services

de.NBI Training and education

Description of de.NBI services and tools

Description of de.NBI training -
- training courses
- summer schools
- symposia

Include metrics of tools (KPI, user monitoring)

General information on the project

Publications

- No. of staff paid from de.NBI grant (FTE)
- Other staff involved
